## INTRO: Em

### VERSE ONE

(Em)

The darkness, it just eats me up and the dawn, it just won't come

**D** **C**

The roar of the engine sings a hymn of redemption

**G** **B7**

Muffler rumbles like a drum

**Em**

"The wounds are just for attention," they say while pouring in the salt

**D** **C**

Disinterested eyes, contradicted with lies

**G** **B7 (to chorus)**

Heartbreak soaked in alcohol

### CHORUS

Nothing fills these hollow bones

**C** **D** **Em**

The emptiness just swallows me whole

Went to the crossroads and I made a deal

Begged for anesthetic so I couldn't feel

Flesh is weak so I gave up the ghost

Now nothing fills these hollow bones

### VERSE TWO

(Em)

Terrible memories emerge from behind the veil

Ghosts that will haunt me; devil that tricks me

Trauma in exquisite detail

I tell myself that I don't care but I know damned well, it's for show

No real conversation; just manipulation

They weren't sorry when I didn't know
