You never saw it comin' but, boy, you were a-gunnin' for me

But all the bad-mouthin', trash-talking couldn't get me to concede

You counted me out

**A, Bb, C#m**

Tried to tear me down

**A, Bb, C#m Bb**

But you forgot how headstrong I can be

## CHORUS ONE

**C#m**

**A - Bb**

Guess that makes me a dark horse

**(Bb) C#m A Bb**

The kind that everyone ignores

**(Bb) C#m A - Bb**

Reckon with this force

**(Bb) C#m A Bb**

I will weather all the storms

**E**

**Bb**

You can criticize; try to cut me down to size

**C#m A**

That'll just make me try more

**C#m A - Bb**

Yeah, I'm a dark horse *(repeat this line on chorus two)*

Don't underestimate me **(to intro)**

I dodge your arrows

And it just goes to show that you overlooked me **(to chorus one)**
